

Planes, Trains and Automobiles - September 8, 2012

Dan Rettig (Piehl Motors and Danny Boy's Pizza) is shown at Planes, Trains and Automobiles on September 8 waiting to award trophies to the winners of the car show.

At noon, the VFW recognized our veteran's as well as the 9/11 first responders. This flag flew over the ceremonies and is displayed atop the GFD's ladder truck.

Winner of the Mayor's trophy was a '32 Roadster.
