Consideration to approve the request by Eric & Diane Reschke, Dairy Queen 4 D Construction of Illinois to perform exterior remodeling of the current Dairy Queen building on S. Oakwood avenue to bring it up to Dairy Queens new Grill & Chill design.

Administrator Kotter reported that this item went before the Plan Commission and a Public Hearing was held. There were no resident concerns and the Plan Commission unanimously voted to recommend to Council approve of this request. The foot print of the building will remain the same, the outdoor eating area will be expanded and the drive through will exit out behind the existing garage.

Motion by Johnson, second by Garlick to approve a development permit presented for Dairy Queen for exterior remodel of the current structure and signage located at 1023 S. Oakwood Avenue.
