Brief Description of Work:

THIS FORM IS NOT YOUR BUILDING PERMIT Once this form is reviewed by the Building Inspector, you will be contacted regarding the issuance of a building permit. Permitted work may not begin until the building permit is signed and issued by the Building Inspector

Attachments Required:

- If the work described above is for construction of a home or building, attached prints.
- If the work described above is for an addition to an existing building or home, construction of a garage, addition to a garage, or construction of an accessory building (over 120 square feet), attach a diagram showing general area of property; property lines, including dimensions; placement of structure or addition on property with distance from property lines; and dimension of the structure or addition.

In consideration of this application and attached forms being made a part thereof and the issuance of permit, I will conform to the regulations set forth in Geneseo's Codes and Ordinances. I also agree that all work performed under said permit will be in accordance with the approved plans, specifications and plat diagram which may accompany this application, except for such changes as may be necessary and authorized or required by the city. No work shall be conducted until a permit is issued and obtained. I will submit this work to the required inspections, before work is covered up, and prohibit the occupancy of any space until the work has been approved by the Building Inspector. I understand that if I am undertaking a project that requires licensing/permitting through the Henry County Health Department (generally applies to all food related establishments), I must contact the Department directly, outside of the city's process, to ensure that all regulations are followed per the County's rules and regulations. I acknowledge, warrant and represent that I am authorized to submit this application and complete the work authorized by this application on behalf of the Property Owner. The applicant has furnished the information contained herein.
